**THE ENERGY TRANSITION FLAGSHIP EVENT**

**SPONSORSHIP PACKAGE 2022**

## About Liten Days 2022

Organized for the first time, the Liten Days feature a one-and-a-half-day event for international SMEs, start-ups, large companies and the research community. Liten Days bring together technology experts, business leaders and entrepreneurs to consider innovative technology solutions for seizing market opportunities and tackling overcoming **technological challenges to accelerate energy transition.**

## Benefits of Sponsoring

Sponsoring the Liten Days will make your company stand out as a leader in the Energy Transition field and will leave a strong impression of your brand in people's minds.

That exposure and visibility increase will extend your networking and new business opportunities.

**Apply for sponsorship to associate your company's name with an Accelerator for Energy Transition!**

## Exhibition Center

The MINATEC innovation campus is hosting 3,000 researchers, 1,200 students, and 600 business and technology transfer experts on a 20-hectare space state-of-the-art campus. An international hub for micro and nanotechnology research, the MINATEC campus is unlike any other R&D facility in Europe.

Each year, Maison MINATEC holds or organizes more than 600 events (meetings, conferences, seminars, etc). MINATEC welcomes 40,000 visitors and hosts an average of one international delegation each week, giving tours of the 400 sq. m showroom and other facilities.
